My child loves nursery and all the staff. I am so happy I brought her to Cockfield nursery, she has progressed so much, thanks.

Very happy!

Very happy with everything

Very happy with my son's report

My daughter has had a great year in reception and that is all down to the support of Ms Maguire and other teaching staff. She loves to go to school and is always talking about what she has learnt and the great activities she takes part in. Thank you very much

Very happy with my child's progress this year!

Our son has thoroughly enjoyed his time in nursery. He has such caring and understanding teachers who have helped in his first year of his learning journey.
Thank you so much for all you have done to make his transition into school such a lovely experience!

Would highly recommend to other parents

I have been very happy with the teaching, support and care my son has received. The nursery unit is a credit to the school. Every question or issue I have had has been dealt with immediately. He has thoroughly enjoyed attending the nursery and has had a very positive experience here. Thank you all.

I am over the moon with my child's progress and couldn't thank Ms Maguire enough for helping and supporting my daughter to where she is today.
