

# LGBT+

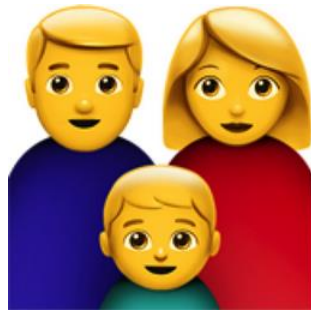

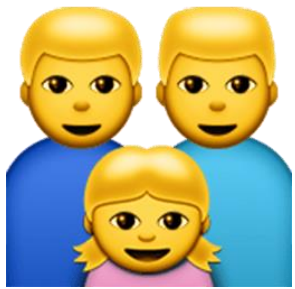

Our school is part of a programme called Educate and Celebrate. At our School we believe in LGBT+ which is all about being your self, so we decided to send this power point to educate your School about LGBT+ and hopefully you will join Educate and Celebrate and spread the word!!

# BUT WHAT DOES LGBT+ STAND FOR?

LGBT+ STANDS FOR LESBIAN GAY BISEXUAL TRANSGENDER AND PLUS. LGBT+ IS ALL ABOUT BEING YOUR SELF ALTHOUGH IT STANDS FOR THOSE WORDS THE MOST IMPORTANT BIT IS THE PLUS AS IT MEANS EVERY ONE IS EQUAL AND EXCEPTED FOR WHO THEY ARE.

---

# Educate and Celebrate!!

---

The whole principle of Educate & Celebrate has influenced everything in our school life, we have changed our school to reflect it, there are rainbow touches throughout the school!

LOVE IS ABOUT LOVE  
NOT GENDER!!

# What we have done at our school to celebrate LGBT+.

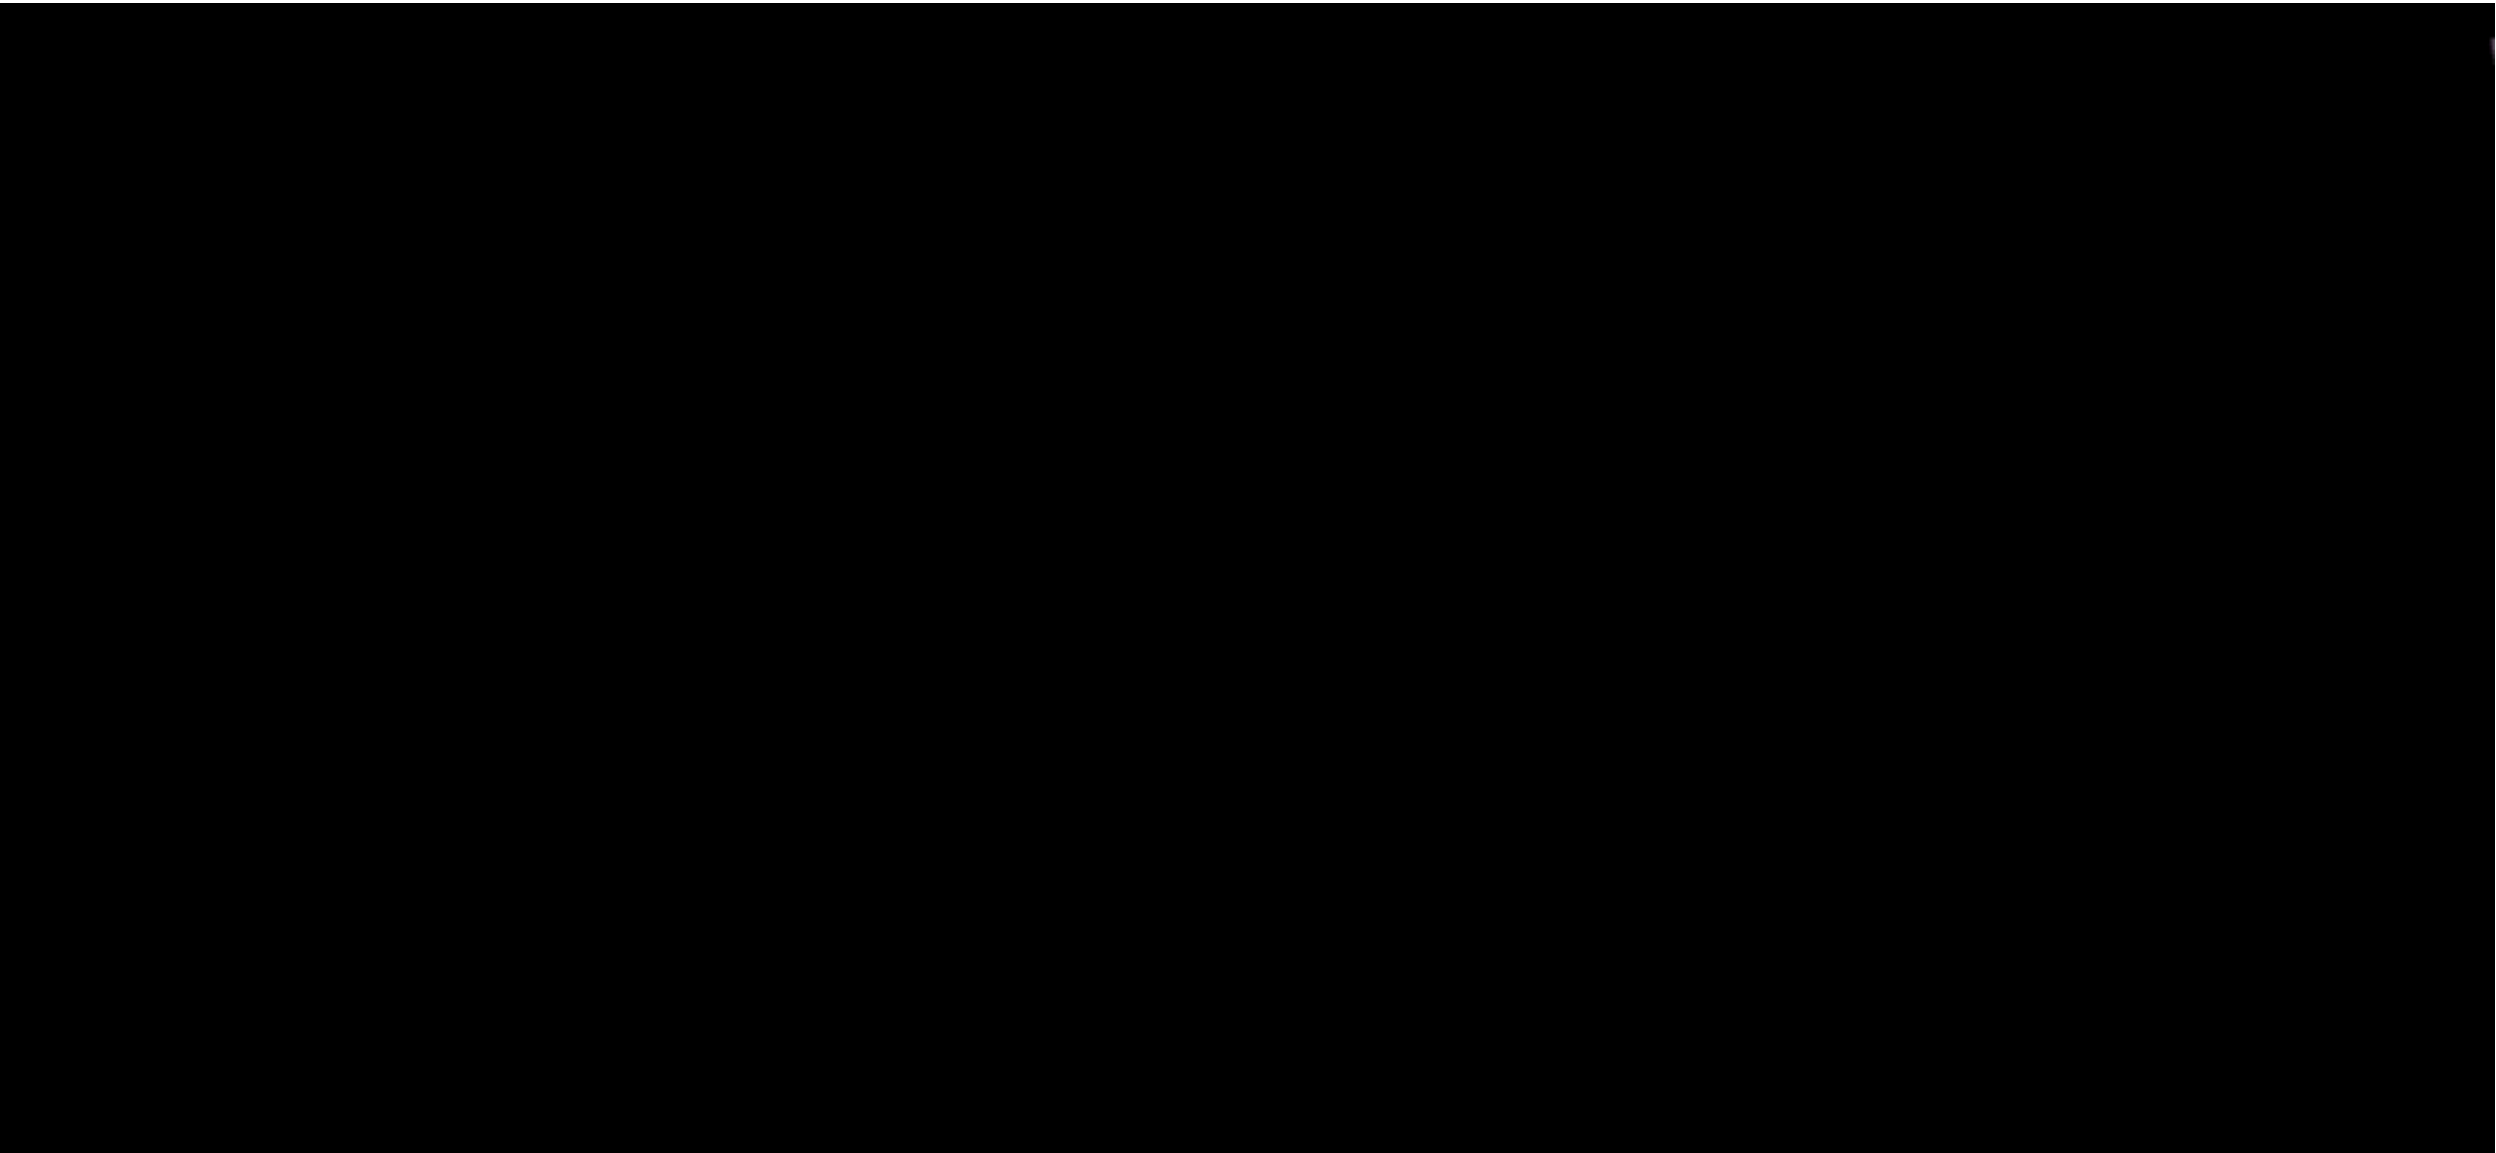

At our School every child made a glass tile in school, all these tiles were made in red, orange, yellow, green, blue and purple. When all of the tiles were put together they created a rainbow LGBT+ flag display. The display stands loud and proud in our school.

The children enjoyed a visit by Dr Elly Barnes.

Take a look at our LGBT+ flag!

# Gay Pride Day Celebrations!

Gay Pride celebrations took place at school. This was a great opportunity to show our support for the LGBT+ community in combating homophobia and intolerance. Our rainbow non-uniform and cake sale in which parents and children kindly donated cake to sell was a great success. At school we also held a special assembly, in this special assembly each class prepared a performance all about LGBT+ and performed it to the school. All the proceeds from the cake sale will be spent on books so that our school can continue to learn and celebrate LGBT+.

# Work all about LGBT+.

---

In our school we have four different groups of children the Emeralds, the Rubies, the Sapphires and the Diamonds. The children's age varying through all year groups yet they all come together and work as a team exploring and learning about the world and what we can do to make it a better place and help people that are less fortunate than ourselves.

Recently in our different groups we have been learning about LGBT+ and doing work to help every child to understand that every one is equal. We do themed colouring and activities, posters to go around the school and much more. Everyone has thoroughly enjoyed learning and celebrating LGBT+.

# Useful Resources.

---

Pop n Olly : YouTube

[www.educateandcelebrate.org](http://www.educateandcelebrate.org)

On the website there are available resources such as:

- Lesson plans about LGBT+
- Book educating about LGBT+
- Power Points to show in classes
- Songs

# Thank You For Watching!

---

We hope you enjoyed our power point on LGBT+ and we hope that you are inspired by our power point and decide to start learning about this fabulous topic in your school.

You are welcome to ring our school (**Cockfield Primary School**) and organise an appointment to look around our school.

Thank you for watching.

Produced by: **Evie Armstrong and Kate Davidson.**

Presented by: **Kate Davidson, Ruby Jones, Bailey Bennett and Ruby Wilson.**
