1. Summary information							
School	Cockfield P	Cockfield Primary School					
Academic Year	2020-21	Total PP budget	£41,695	Date of most recent PP Review	July 2020		
Total number of pupils 99 Number of pupils eligible for PP 31 Date for next internal				Date for next internal review of this strategy	December 2021		

2. End of Key Stage 2 Results						
	Pupils eligible for PP (2019 results)	Pupils not eligible for PP (national average 2019)	Teacher Assessment to March 2020			
% achieving in reading, writing and maths	29%	65%	75%			
% making standard or above in reading	71%	73%	75%			
% making standard or above in writing	43%	78%	75%			
% making standard or above in maths	57%	79%	75%			

3. Ba	3. Barriers to future attainment (for pupils eligible for PP, including high ability)						
In-sch	In-school barriers (issues to be addressed in school, such as poor oral language skills)						
A.	Some children in receipt of PP have missed out on being taught in school due to Covid-19						
B.	Some children in receipt of EYPP have not had the usual transition opportunities						
C.	Children starting school have below average speech and language skills						
Extern	al barriers (issues which also require action outside school, such as low attendance ra	ntes)					
D.	Some children in receipt of pupil premium may have not accessed much home learning during the school	ol closure period					
4. De:	sired outcomes						
	Desired outcomes and how they will be measured	Success criteria					
A.	Children return happy, settled and ready to learn (observations). Children make good progress from their starting points in September. Quality first teaching and targeted interventions will be tracked as children are assessed.	Children will make good progress from their KS starting points					
В.	Children settle quickly and are ready to learn (EYFS observations). Children will achieve well in EYFS against the ELGs	Children will settle quickly and make good progress from their baseline. All children will achieve well.					

C.	Children's speech and language improves from starting points, using assessments from Talking Dales Speech Therapist and results from Language Link	Children will make good progress with Speech and Language from their starting points
D.	Attendance of children in receipt of PP is in line with all children and above National Average	Attendance of children in receipt of PP is in line with all children and above National Average
E.		
F.		

5. Planned expenditure

Academic year

£41,695

The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.

i. Quality of teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Review / Impact Autumn Spring - KC
A. Children will return happy and settled. They will make good progress from their starting points	Assess all children in the first half of the Autumn Term to provide an accurate starting point for future teaching Good/outstanding teaching throughout school	Using formative and summative approaches will allow teachers to identify gaps in knowledge and address them High quality teaching can make a significant difference to the progress a child makes	All teachers to share baseline with HT by half-term Monitoring of teaching and learning through, book scrutinies, pupil conversations and assessments.	нт	Children reassessed on full return 8th March to establish an accurate baseline Teachers have identified gaps and basic skills and are addressing them Book scrutiny Feb 21 identified areas for improvement – new presentation guidelines introduced April 21 Letter join handwriting scheme introduced April 21 to ensure consistency Children are settled, behaviour is excellent across school Pupil Progress Meetings & lesson observations to be completed 1st half of Summer Term July 21 Presentation has improved across school and new scheme is ensuring consistency. Children are proud of their work. All teaching was good with some outstanding features, book scrutinies reflected progress towards objectives. All children are showing progress for March baseline.

B. Children settle quickly and are ready to learn (EYFS observations). Children will achieve well in EYFS against the ELGs	Frequent assessments throughout year, to allow for careful tracking of each pupil. Strong communication between EYFS team and parent/carers Good ratio of staff/children in EYFS Outstanding teaching and learning Opportunities for outdoor learning and participation in forest schools	EYFS unable to attend normal transition. Early days in school important to form strong, trusting relationships with children and parents. Good staff ratio allows regular, informative observations and for teaching and learning to flourish. Two outreach workers enable SEND/PP children to be supported to access all areas of learning Research shows the difference a high-quality teaching team can make on the progress of a child.	Monitoring of teaching and learning in Early Years	HT LH	Tapestry worked really well during lockdown Survey Feb 21 Parents regularly comment on pupil's work and complimented the school on support from staff & the quality of the work set. Baseline re-established April 21 teacher aware of gaps and starting to address them in school observations demonstrate that they are catching up quickly. Those who require additional support & intervention are working in small groups with adult support. Teacher exploring the Curiosity Approach & this is having positive results. July 21- Children are making good progress, gap analysis showed the need to revisit previous learning and consolidate the basics particularly in Maths & Writing. Although good progress is evident there is still a need for further support in these basics in year 1. Continuous provision will be provided in year 1 to allow for play opportunities interaction and pupil led learning.
C. Children's speech and language improves from starting points	All new children to Nursery and Reception assessed at the start of term by Talking Dales Children assessed using Language Link and programmes put in place	Early identification allows for the most effective action to be taken. Talking Dales has had a very positive impact for children in our school in the past.	SENCO to coordinate. EYFS team to work with Talking Dales	SENC O LH, HH, KH, AF	Paused due to lockdown but now back in place and having positive results

D Attendance of children in receipt of PP is in line with all children and above National Average	Praise and reward positive attendance. Highlight links between attendance and attainment. Be mindful where children have been absent for the unique circumstances of the current situation. Build positive relationships with all children Understand some children's medical needs.	Sharing links between attendance and attainment can have a positive effect. Building up strong relationships with parents can help reduce barriers to attending	Check attendance each month throughout the year	HT SH	Attendance Figures Disadvantaged attendance above national in Autumn, Spring & Summer Autumn Term – Dis 95.8% Non Dis 97.1% PA – 2 Disadvantaged pupils Spring Term – Dis 96% Non 97.7% PA data skewed due to lockdown Summer Term – Dis 94.8% Non 96.9% We are monitoring a small number of children whose attendance dipped in the summer term due to unauthorised holidays and days off in the summer term.
Total budgeted cost					£5000

Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Review / Impact
A	Daily small guided reading groups Y2-6 Additional daily reading, 1:1 phonics work where need identified.	Successful reading breaks down barriers for many subjects. Improving reading skills will allow for future academic success. Daily practice and repetition helps improve memory	Reading Lead to monitor reading EYFS - Y1 and assess each half term. English Lead to monitor guided reading and reading skills sessions each term.	A H	AR engagement figures Y2-73%Y3-88% Y4-88% Y5-79% Y6-75%
	Maths Mastery Approach for R-Y6	Maths mastery approach has had successful outcomes in school and helps raise attainment for all, including those in receipt of pupil premium.	Maths Lead to monitor	EW	This is an area for development the school has registered to join the Maths Hub moving forward Baseline established April 21 SEN Baseline re-established April 21 July data shows good progress in reading
	Small group support where bespoke curriculum created for children with identified needs	Some children are unable to access age related activities and need supporting in order to achieve well from their starting points. As well as adjustments made to the content of the curriculum, interventions help improve children's knowledge and skills in many areas such as fine motor, gross motor, mental health and wellbeing	SENCO to coordinate	нт	Children are settled and making good progress.

В	Early identification of need may require outside agency support	School works with a number of professionals who support our children: Educational Psychologists, Occupational Health, Speech and language, Behaviour Support etc who can benefit a child with an identified need. By addressing these needs quickly, we can help to close the gap at the earliest opportunity.	SENCO	НТ	Writing Therapy Group in place for Emotional Literacy 4 referrals made April 21 to outside agencies
	Additional daily reading, 1:1 phonics work where need is identified.	School providing additional work for lower attaining 20% of readers.		Class teachers	Lexia in place and showing impact for lowest 20%

С	Where need is identified, interventions may need to be on a 1:1 or small group basis.	Talking Dales has worked successfully with our children in the past. Skilled therapists work with identified children, assessing, giving programmes to work with and following up their assessments. Further specialist support may be required by NHS Speech and Language service	EYFS Lead/SENCO		4 children currently accessing Talking Dales programme Teachers report that access to this service informs their practice and is a good resource
	NHS Speech and Language service may work with the child	School staff/parents to work on programmes suggested by Talking Dales to maximise progress in Speech and Language. Children with a high level of need may be supported further by NHS Speech and Language.			
Total budgeted cost					£36,320

iii. Other approaches

Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	Review / Impact
D	Work with families of children where attendance is cause for concern (previously less than 90%) via meetings/telephone calls. Reward positive attendance Work with outside agencies if the need arises Work with staff from secondary school – siblings in attendance	By working with families to try and understand barriers to attend will help to find solutions quickly. Ensuring children attend regularly will help improve a child's attainment and progress.	Check attendance each month. Look at reasons for absence. Telephone calls with parents where attendance is not as expected.	HT/SH	Ongoing 9 PA children 1 left the school Feb 21 (57%) 3 with medical conditions Autumn / Spring Term attendance now improved Continue to work closely with other families – liaise with county attendance team to support those who's attendance is below 90% We are monitoring a small number of children whose attendance dipped in the summer term due to unauthorised holidays and days off in the summer term.

Total budgeted cost	£375
